

Lightning Incidents

Posted On: 01 DEC 2021 1:32PM by PIB Delhi

The State-wise details of lightning strikes and the number of people who have lost their lives are provided in the Annexure-1.

Ministry of Earth Sciences, through India Meteorological Department (IMD), issues forecast and warnings for thunderstorms and associated weather phenomena five days in advance with regular updates. The assistance to the affected families is coming under the purview of the respective State Governments.

As per recent studies, lightning activity have shown increasing trend over India in past two decades. North-East, East and parts of peninsular India have registered a sharp increase of lighting over the past 2 decades. The increase is minimal over Central India and moderate over rest of the country. The information pertain to the illegal cutting of forests is not available with the ministry.
