#### **Ms. Kiran Jaswal**

**Ms. Kiran Jaswal** is working as Meteorologist-A in the Budget & Planning section of IMD, New Delhi. She is involved in tasks related to formulation and processing of Central sector schemes of IMD comprising of technical & financial analysis of EFCs/ SFCs & DPRs to address all issues related to justification, objectives, financing, project design etc. as per the requirements of various units of IMD. She is also involved in the work related to delegation of enhanced financial powers to Heads of offices of IMD, monitoring of schemes, correspondence with Project Directors/ Associate Project Directors, Plan Review Meetings and related matters.

She also helped in formulating the IMD component of EFC under the umbrella scheme 'Atmosphere & Climate Research-Modelling Observing Systems & Services' (ACROSS) to be implemented during 2017-24 for improving functional efficiency of weather, climate and related hazard detection, monitoring and warning services.

#### **Sh. Ronald John Vaz**

**Sh. Ronald John Vaz** is working in India Meteorological Department (IMD). He has served as OI/C for 26 years out of 33 years of total service at one of the critical international airports with inclement weather. In the aftermath of the worst air-crash on 22/05/2010, he faced the court of inquiry in a befitting manner, being the officer on duty at the time of crash and came out clean. He brought the AMS to international standards by installing indigenously developed transmissiometer (Dristi) and also installed DCWIS & AWOS in the met park. Under his guidance all AMI and instruments are kept in good working condition throughout the year.

His station received the best AMS award on 15/01/2018 on 143<sup>rd</sup> IMD foundation day. He maintained excellent liaison with AAI, RMC, MC and CRS PUNE and CAMD HQ New Delhi.
